Patron Responsibilities

Patrons must personally secure and safeguard their vehicle and any personal belongings. MCCA, the United States Marine Corps, the United States Government, and agents or employees are not responsible for safekeeping or as bailee of the patron's property. Patron vehicles will be located in an area open to all weather conditions and elements and an area that is utilized by other patrons. Patrons accept and "Assume the Risk" of negligence by other patrons; fire, theft, vandalism, acts of God and any other natural or man-made disasters that may cause damage to or destroy his/her property. It is advised that it is in the patron's best interest to maintain adequate fire, casualty, and liability insurance to insure against the risks described above at all times. It must be understood that any insurance coverage maintained by MCCA does not protect patrons or guests from loss or damage of personal property.

All patrons must adhere to order MCIEAST-MCB CAMLEJO 1710.2A.

Guests are responsible for the upkeep of their assigned RV space.

All sewage lines must be raised off the ground, kept level, and secured tightly to prevent leaking. Sewage should not be able to travel upwards at any time. Water hoses should be in operable condition to prevent from any holes or leaks.

Space Regulations

Each space is limited to house one (1) RV and two (2) vehicles which includes: automobiles, hauling trailers, and boats. Additional vehicle parking will be approved by Onslow Beach Management on a case by case basis. Streets, driveways, and common areas will not be used for parking under any circumstance. All non-motorized vehicle (i.e. flatbed trailer, enclosed trailer, boat, etc.) parking is at the discretion of the Onslow Beach Management and is based upon total lot size and ability to safely park all vehicles. Any vehicle that cannot be properly parked within the confines of the assigned space shall be parked in the designated overflow parking.

Each patron should be considerate of the overall appearance of the RV Park. Personal property must be capable of being stored within each patron's RV at any time. Personal items located on the outside of the guests' RV must be stored neatly under RV and should not be an excessive amount.

Non-RV household furniture, gymnasium exercise equipment (free weights are an exception), and animal cages are not permitted to be stored outside at any given time. Guests are not permitted to install permanent fences, outdoor appliances, tarps, mosquito netting, or shading cloth. Gazebos should not be drilled or nailed into. Temporary animal fencing (dog must be supervised outside) is allowed.

Clotheslines are permitted to hang in the space within the gazebo, but please make sure to bring down towels once they are dry.

Per the Environmental SOP 5090.115A personal vehicles are not allowed to be under maintenance outside of designated areas such as the Auto Hobby Shop. Section 1F states "personnel changing private owned vehicle oil aboard the installation will use established MCCA facilities and deposit Used Oil/Used Fuel in one of the authorized collection center".

Recreational vehicles and personal vehicles are not able to be washed at Onslow Beach. The base has provided designated wash stations throughout the base to protect the environment. Cleaning chemicals should not be present outside RV.

Fire Pits, tiki torches, and contained fires are prohibited. Grilling is permitted, but shall not be done under any awnings or gazebos nor on any wood surfaces. Onslow Beach picnic tables will melt from heat. Do not grill on Onslow Beach picnic table.

Propane tanks must be secured at all times to the RV or appropriate equipment.

Quiet Hours

Quiet hours are to be maintained between the hours of 2200 – 0700. Television and music should be kept at a subdued level at all times. Consideration for other patrons is expected.

Pets

Pets are allowed at the RV Park and on Onslow Beach in designated areas. Pets must be compliant with MCIEAST-MCB CAMPLEJO 1710.2A. Pets must abide by the base breed restriction list. Unfortunately, we do not accept dog breeds; wolf-hybrids, Rottweilers, and Pit bulls, nor do we accept snakes, ferrets, insects, or any other exotic animals. Pets must be on a leash (no longer than 10ft) at all times, and they are not allowed to be outside RV units without supervision. No pet is allowed to be kept outside restrained to any object, left in a kennel, or unattended at any time. Pet feces must be picked up by pet owner.

Onslow Beach island features two dog parks which are located behind the Bathhouse in the RV Park and behind Osprey Landing. Owners are asked to bring only well-behaved dogs to the park. Owners are responsible and assume any risks for their pets. Pet Beach is located to the right of the Turtle Trail Pavilion for leashed dogs.

Trash Procedures

Please remove all trash from around your assigned site. Do not leave trash, food, or fish waste outside of the RV. Trash should be placed in the dumpsters located by the Back Circle of the RV Park. This needs to be completed nightly to avoid attracting wildlife.

Beach Rules

Glass bottles and metal detectors are not allowed on the beach. Climbing on the dunes is strictly prohibited.

Only authorized Onslow Beach vehicles are permitted to drive on the beach, in accordance with MCIEAST-MCB CAMLEJO 5090.111. In accordance with the MCIEAST-MCB CAMLEJO 5090.115A all non-registered off-road vehicles (including, but not limited to all-terrain vehicles (ATVS) motorcycles (for off-road use), dune buggies, golf carts, and go-karts) are not authorized for use aboard the Installation, except when in use for official government actions. All vehicles driven on Onslow Beach Island must be driven by licensed drivers. If a guest requires a Mobility Pass please contact the Guest Service Office to receive the pass. Per Conservation Law Enforcement a mobility pass does not allow guests drivable access to the South Point of the island.

Patrons must obtain a base permit to hunt, fish, trap, or launch a boat. To do this, a patron must set up an account with RecAccess (<https://lejeune.recaccess.com>) Once, a profile is set up with Rec Access a base permit voucher can be purchased. Then proceed to the CLEO office on Old Sawmill Rd, Bldg. SAW-400.

Onslow Beach is home to many wildlife, and we specifically cater to the Sea Turtle Program through the Endangered Species Act of 1973. Please be especially aware of the nesting and hatching season which occurs from May – October. Do not disturb the nests. If you will be out on the beach at night, you should only use a flashlight with a red filter.
