

**Q: Who qualifies for the SM&SP?**

A: All single/unaccompanied Active Duty Marines and Sailors who serve aboard MWTC Bridgeport.

**Q: If I have a girlfriend or boyfriend, can I still participate in SM&SP activities and events?**

A: Absolutely. You will be completely eligible for the program's benefits until you are married.

**Q: Is it true that the SM&SP is a dating service?**

A: No. The SM&SP is a "Quality of Life" program dedicated to serving the single/unaccompanied Marines and Sailors serving aboard MWTC Bridgeport.

**Q: What types of events and activities does the SM&SP offer?**

A: The SM&SP offers a wide variety of activities — everything from trips to on-base activities. Essentially, the sky's the limit (and the MCO that prohibits the really dangerous stuff).

**Q: If I have an idea for an event, can I present it to the program for consideration?**

A: Yes, and please do. New ideas are what keep this program running.

**Q: Whom do I talk to in order to present my ideas?**

A: You have three options: (1.) Attend one of the SMP meetings and present your idea directly to the committee, (2.) Work with your unit representative, and he or she will speak for you.

**Q: How do I contact my unit representative?**

A: If your unit representative has not had direct contact with you, utilize your chain of command to seek he or she out.

**Q: If my unit does not have a representative, how do I get one?**

A: Speak with your chain of command and present the issue as a "Quality of Life" (QOL) concern. Every command should appoint a SMP representative in writing. Contact the SMP coordinator, Kelley Guinther, and she will assist you in working with your command.

**Q: How do I become a representative for the SMP?**

A: If you currently do not have a representative appointed, the answer is the same as above. If your unit does have a representative, you may apply to become an alternate or assistant SMP representative.

**Q: Where is the SMP office located and who is the program coordinator?**

A: The SMP office is located in base Fitness Center. You may email the SMP Coordinator at this email [Kelley.guinther@usmc-mccs.org](mailto:Kelley.guinther@usmc-mccs.org).

**Q: When and where are the SMP meetings?**

A: The SMP meets second Tuesday of every month at the SMP Rec Center. For the next meeting date and time, contact your unit representative or email the SMP Coordinator.
